REPLACEMENT

RESOLUTION AUTHORIZING ADDITIONAL SOFTWARE PURCHASE TO
IMPLEMENT IMMEDIATE INTERNET ACCESS FOR CITY COUNCILORS
IN THE COUNCIL CHAMBER.

BY PRESIDENT GARDNER:

WHEREAS, the council, by Resolution 11-0497, has requested that internet access be provided at each councilor computer terminal located in the Council Chamber; and

WHEREAS, city administration has established a project plan for web filtering for these computers which will better control and block malware infiltrations such as adware and spyware and has indicated that these software installations are necessary in order to ensure the good working condition of these computers and protect their functioning during council meetings; and

WHEREAS, the needed software is scheduled to be purchased and installed in early 2012 at an estimated cost of \$50,000; and

WHEREAS, some councilors have expressed a need for immediate internet access; and

WHEREAS, in order for immediate access to be granted additional software licenses would be required for the remainder of 2011 at an additional cost of \$2,500; and

WHEREAS, if the council desires to have immediate internet access an authorization is required for the additional expenditure.

THEREFORE, BE IT RESOLVED, that the council hereby authorizes the additional expenditure of \$2,500 for software and related licenses for the remainder of 2011 in order for councilors to have immediate internet access at the councilor computer terminals in the council chamber.

Approved as to form:
